

"Mountain Adventure" Day Camp 2008

Get a true taste of the mountains and all that they have to offer through our summer camp, "Mountain Adventure". This summer we will be getting our feet wet with adventures in canoeing and fishing, hiking and scavenger hunts, and we will even be paid a visit from some fine feathered and furry critters from next door at the Genesis Wildlife Rehab Center. We will be focusing on getting up, getting out and getting excited about our mountainous playground here on top of Beech Mountain.

Our campers will get the chance to get up close and personal with the wilder inhabitants of our mountain when Genesis Wildlife Rehab Center comes to visit. They will be bringing raptors, mammals and reptiles along with them and our campers will get a chance to discuss the animals and little things that we can do every day to ensure their survival.

Camp will run from July 28 - August 1 starting in the morning at 9:00am and ending in the afternoon at 3:00pm. The cost will be \$125.00 per child. **To register please return to the previous page.**
