

Summer Day Camp "Survivor" 2008

Buckeye Recreation Center will be hosting two summer day camps this year. The first will be themed after the hit TV series "Survivor". Come join us for an island adventure set in the mountains, where we will focus on team work, cooperation and the importance of communication. Campers will be placed in a tribe upon their arrival, where they will work together to complete challenges and work towards common goals. These challenges will be fun, interactive and stimulating for all of our campers and will help them learn life skills that will carry with them.

Included in these activities could be getting the whole tribe onto a small platform and balancing for a set period of time, using land skis to maneuver across a "river of melted and sticky marshmallows", or flipping a "magic carpet" from one side to the other with your whole tribe standing on top. Each activity will be debriefed so that the campers can discuss which behaviors and actions were most beneficial in reaching their common goal and should be applied to the next activity.

Camp will run from July 7 - 11 starting in the morning at 9:00am and ending in the afternoon at 3:00pm. The cost will be \$125.00 per child. **To register please return to the previous page. To register please return to the previous page.**
