Marge Bailey made a motion to accept minutes. Cindy Keller seconded. All in favor.

The board had an in-depth discussion regarding the tree ordinance they worked on in March. Part of this discussion was based on comments from Dr. Robert Bardon of North Carolina State University. Additional changes were made.

The Board requested the Town Manager, Randy Feieraband, place the Tree Ordinance on the Town Council's agenda for their next meeting on April 14.

Renee showed the Board and additional attendees the website, which is still under construction. It was suggested that a list of Certified Arborists be placed on the website, along with a list of Replacement Trees.

Cindy Keller thought it might be a good idea to send out information to homeowners of what to do with their plants, trees and vegetation this time of year. Rory Ellington suggested using the information that will be placed on the web under Fertilization. Renee Castiglione will get that information to Rick Owen and ask that he send it out to homeowners.

With no other business, the meeting was adjourned at 4:35 pm.

Respectfully Submitted,
Renee Castiglione
