3. **By signing here I affirm that I understand the following:**

- That by exempting myself from the Town's garbage bin requirements as stated in the Town of Beech Mountain's Solid Waste Ordinance (Title V, Chapter 50), ***I am waiving my right to Town garbage collection.***
- That I will dispose of garbage in a manner that does not become a nuisance to other property owners and is consistent with the Town's objective of keeping Beech mountain an attractive and pleasant place to live.
- That although I am waiving my right to garbage collection, I understand I will continue to be charged for this utility service. If at any time I choose to change my mind I will notify the Town Manager or his designee(s) and I will adhere to the requirements of the Solid Waste Ordinance.
- That "opting out" of garbage bin requirements is not permitted for rental properties. This property will not be rented without garbage bins as specified in the town ordinances.
- That garbage cans lacking a garbage bin left by the roadside for pickup are a violation of Town ordinances. I hereby agree to abide by the Town of Beech Mountain's Solid Waste Ordinance which states:

*"Under no circumstances may garbage be left by the roadside for Town garbage pickup without approved receptacles and bins."*
